TEXAS NEGRO DIES ON GALLows

Murdered a Storekeeper in Dallas in November, 1904.

Dallas, Tex., May 13.—The crime for which Holly Vann Bird has paid the death penalty today was committed on the night of Nov. 30, 1904.

The murdered man, Saul Aronoff, conducted a small grocery store, and was just in the act of closing the store about 9 o'clock that night when Vann and a negro known by the name of Burrell Oates, came into the store and called for a sack of tobacco, tendering a 25-cent piece in payment. Aronoff had given them the tobacco and was in the act of giving them their change, when both pulled revolvers and commanded him to hold up his hands.

Mrs. Aronoff, who was in the room adjoining the store, seeing that her husband was in danger, secured his pistol and bravely rushed into the store. On her entrance the firing began. Aronoff received a wound in the left breast which proved almost instant death.

NOTICE

SCORE KILLED BY EXPLOSION.

Gas Tank Explodes with Fatal Results in Philadelphia.

Philadelphia, May 13.—Two persons are known to have been killed, several are thought to be buried beneath a mass of debris and 25 others have been taken to the hospitals as the result of an explosion of a gas tank of the United Gas Improvement company at Point Breeze, in the southern section of this city today.

There was nearly 50 persons working close to where the explosion occurred, and thus far less than 30 have been accounted for.

Of the injured taken to the hospitals Robert Fleming and Owen Brady are dying.

All of the injured were at work more than 200 feet from where the explosion occurred.

Six painters were at work on the top of the tank which exploded and all are missing.

It is believed they were blown to pieces.

Three men who were at work in the rectifying building were carried a distance of 500 feet. Their clothing was on fire when they landed in a field. All are dangerously injured.

Two bodies have been recovered, burned and crushed beyond recognition.

Herbina

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver and kidney complaints. It is the best blood enricher and invigorator in the world. It is purely vegetable, perfectly harmless, and should be used by all who are suffering from disease, you will use it if you are wise. E. N. Andrews, editor and manager Cocos and Rockledge News, Cocoa, Fla., writes: "I have used your Herbina in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit. Sold by W. M. Johnson, Gainesville, Fla., and J. C. Bishop, Alachua, Fla."

Paralytic Attempts Suicide.

Savannah, Ga., May 13.—John P. McIntyre, formerly master mechanic for the Central of Georgia railway, but for ten years a paralytic, attempted to commit suicide here, cutting his throat with a razor that he had secured from his bureau while no one was watching. Mr. McIntyre had long contemplated suicide, driven to desperation by his illness. Last year he dictated his own obituary notice, this reading that he died in December, it having been his purpose to die by his own hands during that month, but all means of killing himself were kept away from him.

Why Suffer From Rheumatism?

Why suffer with rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett of Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by all druggists.

Negroes Charged with Murder.

Athens, Ga., May 13.—Jim Taylor, Sidney Morris and Claud Elder, three negroes under 23 years of age, are in the jail at Watkinsonville, charged with the murder of an old man, Frank Holbrook, and his wife, near that place recently. Two of the negroes were traced by bloodhounds. They had previously been prosecuted by Holbrook for burglary and had made threats to kill him. The murderers got away with \$400 that the old couple had in the house. The county is terribly wrought up over the tragedy.

A World Wide Reputation.

White Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves their digestion, and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. Sold by W. M. Johnson, Gainesville, Fla., and J. C. Bishop, Alachua, Fla.

COURT STOPS MOVING TRACKS.

Will Not Allow Alabama Railroad to Be Destroyed.

Opelika, Ala., May 13.—The tearing up of Lafayette railway tracks was stopped by an injunction issued in the name of the state of Alabama, restraining G. H. McGehee, president and general manager, and all other employees, from dismantling the road. The work of wrecking the track began about a week ago, and nearly 4 miles of track had been torn up near the Lafayette end, and the rails and ties had been hauled to Opelika, when the injunction was served this afternoon and a gang of workmen brought to this city.

It is alleged here that the dismantling of the road, known as the Merchants line, was due to a deal with the Central railway, which parallels it. It was because of high freight rates on the Central that the farmers and merchants built the Merchants' line nine years ago.

It is probable that a big legal fight is on.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all druggists.

Didn't Know It Was Loaded.

Cedar Rapids, Iowa, May 13.—A frightful accident occurred at the farm home of Peter Schleuter, a well-to-do farmer living near Fairfax. Harvey, his 13-year-old son, had taken a rifle from the house and was playing with it. His little sister came along and taking the gun, pointed it at her brother and pulled the trigger, not knowing it was loaded. The bullet tore through his head, causing almost instant death. None of the family knew the gun was loaded.

Juggling With Dynamite

Is no more dangerous than to neglect kidney disorders. Foley's Kidney Cure corrects irregularities and has cured many severe cases after other treatment has failed. It builds up the worn out tissues and restores health and vigor. "I was troubled with kidney complaint for about two years," writes A. H. Davis of Mt. Sterling, Iowa, "but two bottles of Foley's Kidney Cure effected a permanent cure." Sold by J. W. McCollum & Co.

Fatal Affray in Indian Territory.

Bufala, I. T., May 13.—A shooting affray took place here in the negro end of town. Fully 25 shots were fired, and as a result Daniel Ross, a negro, is dead; Daniel Hoover, night watchman, wounded in the arm, and a negro woman, whose name could not be ascertained, was slightly wounded. The cause of the difficulty could not be learned.
